SCHAKOWSKY REMARKS ON COLORECTAL CANCER AWARENESS

Washington, D.C.-- U.S. Representative Jan Schakowsky (D-IL), a member of the Energy

"Thank you, Madame Speaker. I want to thank Congressman Wynn for his effort to bring

My family and my life – like so many others – have been touched by someone with cancer

I recently saw a new study from the CDC saying that colorectal cancer testing has risen s

We have to do better. We must work to expand public education and understanding of th

If caught early, the survival rate for colorectal cancer is over 90%, but if the
not it is just 10%.

Through the establishment of Colorectal Cancer Awareness Month, we will add to the ove

Thank you."
